The statewide elections are over, with the results of the referendum questions proving quite disappointing to League members (for complete Weston election results, see Page 6). The Gas Tax question, the expanded Bottle Bill and the rescinding of casinos all turned out differently from the League position. The League's long-time support for an expanded Bottle Bill will just have to live to fight another day. Time is up, certainly, to stop the creation of casinos in Massachusetts. We offered rides to the polls on election day, and had one customer.

On November 8 we held an very informative Coffee Hour at the Library, featuring a presentation by Sarah Rhatigan, Chair of the Weston Affordable Housing Trust. The talk concerned the proposed development of seven affordable rental units on 9.3 acres of land on Warren Avenue, at the previous site of the Weston Water Department. (see photos on Page 3) Three existing structures will be renovated on a site quite restricted by wetlands, including turning a single-family house into two rental units. The development will share one septic system The neighbors have been consulted and the Weston Historical Commission has contributed valuable input. The proposal will be on the warrant of the December 1 Special Town Meeting. Although the audience at the Coffee Hour was small, WestonMedia and a reporter for the Town Crier were there to give greater coverage to the proposal.

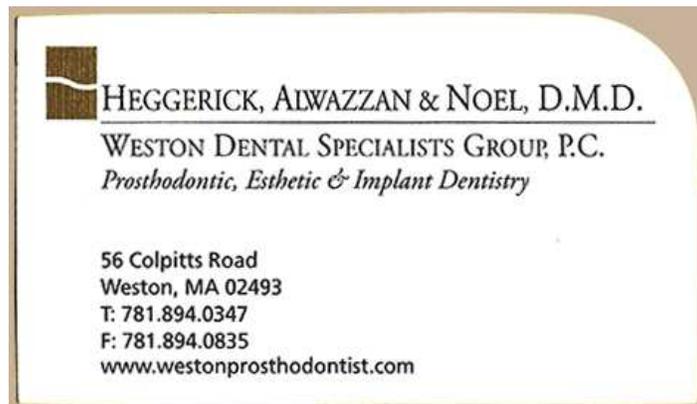

In looking ahead to future Coffee Hour topics, we hope to host our legislators, Senator Mike Barrett and Representative Alice Peisch, during the winter. After that, we would like to introduce our new Police Chief and new School Superintendent to townspeople when they are selected.

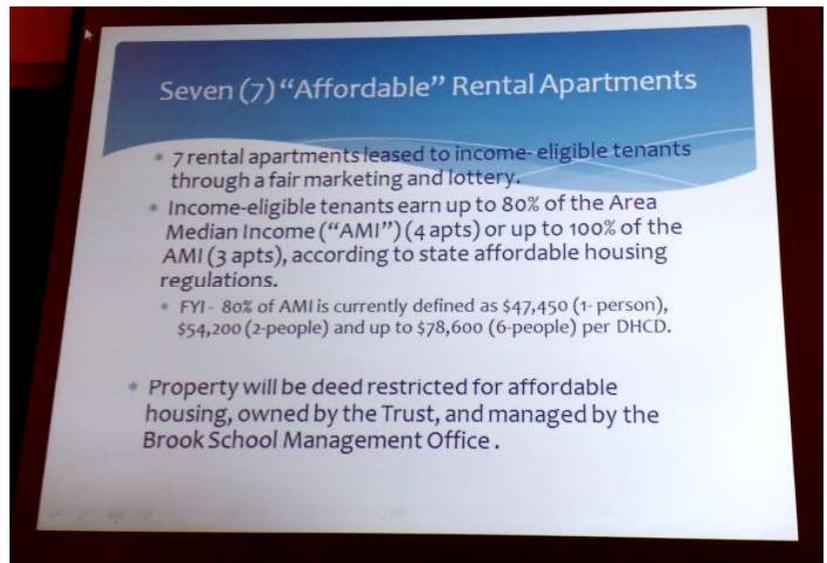

This is the time of year to renew your League membership. A membership form can be found in this Bulletin. Please renew now, while it's on your mind.

The complete warrant for the upcoming Special Town Meeting can be found on Page 14.

**CALENDAR  
NOVEMBER 2014 – JANUARY 2015**

November 22, Saturday..... 9:00 – 11:00 a.m. Town Hall	Selectman’s Office Hours with Doug Gillespie

## BOARD HIGHLIGHTS

Barbara Flannery, Acting Secretary

The November meeting was held on Tuesday, November 11, 2014 at the home of Katherine Wolfthal. Present were Katherine Wolfthal, Lenore Lobel, Robin Coutts, Barbara Flannery, and Barbara Fullerton, with Katty Chace presiding.

The meeting was called to order. No October minutes were submitted as Secretary Kathie Rousseau was unable to attend. Barbara Flannery took the minutes for the current meeting.

Treasurer's Report: Barbara Flannery reported a cash balance of \$2514.40

The membership list was presented by Lenore Lobel and reviewed and commented on by the members present. Katty will write a membership-renewal letter.

The League Book Club will meet at the end of January, to discuss *Just Mercy* by Bryan Stevenson.

A future Coffee Hour will be devoted to our State legislators (Barrett and Peisch), and we may also have one for the new Police Chief and new School Superintendent

The LWV offered transportation to the Polls on Election Day. Katty drove one Brook School resident to the polls.

The meeting discussed the results of the recent State Elections and referendum questions

The League Banner was put up by the Fire Department for one week, in advance of the State Election.

The State League Leaders Luncheon, held October 25, emphasized ways to increase membership.

The next meeting will be at Barbara Fullerton's, on December 2. The meeting was adjourned.

## League of Women Voters of Needham Friday Forum The Politics of Food: The Local Perspective

Friday, November 21  
9:30 a.m.  
Needham Public Library

- Is Massachusetts considered a “farm state”?
- How will climate change affect Massachusetts agriculture?
- Can the “grow local” movement reach the neediest consumer?
- How do state and national laws impact local farmers?

### Speakers

- Julie Conroy, Senior Environmental Planner, Metropolitan Area Planning Council
- Larisa Jacobson, Needham Community Farm
- Kate Canney, The Neighborhood Farm

Julie Conroy will describe the development of a Food System Plan for Massachusetts. The Massachusetts Food Policy Council is looking at all aspects of agriculture—workers, environment, consumers, food security—with the goal of developing a food system to better serve our needs.

Local farmers will discuss the challenges, rewards and impact of farming locally.

*Educate • Advocate • Impact*

[www.lwv-needham.org](http://www.lwv-needham.org)

A question and answer period will follow.  
Light refreshments will be served.  
The event is free and open to the public.

39 Warren Ave.  
Weston, Mass.

## WESTON LEAGUE BOOK CLUB

Every so often our Weston League of Women Voters meets to discuss a book we feel would be of interest to our members in the light of the LWV's principles and policies.

The book selected for this League Book Club reading is: *Just Mercy, A Story of Justice and Redemption* by Bryan Stevenson. According to the blurb on the book jacket, this is: "A powerful true story about the potential for mercy to redeem us, a clarion call to fix our broken system of justice - from one of the most brilliant and influential lawyers of our time. Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the furthest reaches of our criminal justice system".

Stevenson has won numerous awards for his work, including the Reebok Human Rights Award, the ACLU National Medal of Liberty, a MacArthur Fellowship "Genius" Award and the Gleitsman Citizen Activist Award

We will meet to discuss the book on Tuesday, January 27 at 7:30 pm at Barbara Fullerton's, 3 Winter Street. All members are welcome.

In advance of our discussion, readers may be interested in the article "Double Jeopardy," published in the November 17 issue of The New Yorker Magazine. You can find it at: [Double Jeopardy, by Paige Williams](#)

## SELECTMEN'S TOWN MEETING ADVISORY COMMITTEE Patsy Shotwell

The Selectmen's Town Meeting Advisory Committee reconvened in early October to continue the Selectman's charge to improve voter participation in and conduct of Town Meeting, Town Caucus, Budget hearing and Elections .

Members include representatives from the Board of Selectmen, the School, Finance and Planning boards, the Community Preservation Committee, Council on Aging, PTO, and League of Women Voters as well as four at-large registered voters chosen by the Board of Selectmen.

Current members are: Harvey Boshart, Chair; Douglas Gillespie, Richard Manley, Chris Houston, David Mendelsohn, Barry Tubman, John McCahan, Leslye Fligor, John Fiske, Alex Shimada-Brand and Patsy Shotwell plus, ex officio, Town Manager Donna Vanderlock, Moderator Thomas Crane and Town Clerk Deborah Davenport.

After a review of their impressions of the May Town meeting, the Committee considered the results of a survey created by Chris Houston (available on the Town of Weston website at

[Selectmen's Town Meeting Advisory Committee Survey](#) ).

635 citizens responded, with a slight margin representing those in their 30s and 40s. Most respondents were engaged in civic affairs. For example, over 90% voted in the 2012 presidential elections. 75% of respondents were interested in on-line voting, a topic the Committee will further consider .

The Committee voted unanimously to recommend to the Selectmen that both the May and special Town Meeting open at 7 p.m.

The Committee also approved a motion to "urge the Selectmen to take appropriate action to implement the use of handheld voting devices at Town meeting."

The STMAC expects to further refine its recommendations in a report to the Selectmen in the near future.

Deliberations are carried regularly on WestonMedia.

## WARRANT FOR SPECIAL TOWN MEETING December 1, 2014

Commonwealth of Massachusetts  
Middlesex, ss.

To any Constable in the Town of Weston, Greetings:

In the name of The Commonwealth you are hereby required to notify and warn the voters of said Town, qualified to vote in elections and Town affairs, to meet in the Auditorium of the Senior High School in said Town on Monday, the first day of December 2014, at 7:30 o'clock p.m., to act upon the following articles:

### **ARTICLE 1: AMEND FISCAL YEAR 2015 OPERATING BUDGET**

To amend the following line item in the Fiscal Year 2015 Operating Budget adopted under Article 5 of the 2014 Annual Town Meeting, by raising and appropriating additional sums as follows:

	<u>Changing From</u>	<u>Changing To</u>	<u>Difference</u>
Facilities Improvements-Town-Wide+	\$461,893	\$821,893	\$360,000
School Department – Salaries	30,720,687	30,906,887	186,200
School Department – Expenses	5,636,897	\$5,733,697	96,800

or take any other action relative thereto.

*Article 1 Explanation:* This article provides funding for the School Department to address enrollment increases in Kindergarten, reduce class size for Grade 8 and meet additional demands for special education services. In addition, funding is provided for the Town-Wide Facilities Improvements account to replace the existing septic system leaching field that was determined to be in failure in the spring of 2014 by the Town's engineer and the Massachusetts of Environmental Protection (DEP). The septic system supports the Council of Aging, Recreation, Field School and Case House.

### **ARTICLE 2: AMEND FISCAL YEAR 2015 RECREATION ENTERPRISE BUDGET**

To amend the following line item in the Fiscal Year 2015 Recreation Enterprise Budget adopted under Article 16 of the 2014 Annual Town Meeting, by appropriating additional funds as follows:

	<u>Changing From</u>	<u>Changing To</u>	<u>Difference</u>
Expenses	\$429,300	\$450,300	\$21,000

And as funding therefor, that \$21,000 be transferred from Recreation Enterprise Fund retained earnings; or take any other action relative thereto.

*Article 2 Explanation:* This article transfers additional funds to the Expenses appropriation to cover costs for replacement of a lawn mower and preparation of a boundary survey in order to address an encroachment on Recreation land. Retained earnings in the Recreation Enterprise Fund as of June 30, 2014 were certified at \$286,474.

### **ARTICLE 3: APPROPRIATE ADDITIONAL FUNDS FOR FIELD SCHOOL – DEMOLITION OF OLD SCHOOL**

To appropriate a sum of money to pay additional costs of constructing the Field School, including demolition and all incidental costs related to such project, to be spent under the direction of the Town Manager, the money so appropriated to be borrowed pursuant to M.G.L. Chapter 44, section 7, or any other enabling authority, and to

authorize the Town Treasurer, with the approval of the Board of Selectmen, to issue bonds or notes for this purpose; or take any other action relative thereto.

*Article 3 Explanation: This article provides additional funding for the completion of the new Field School project, specifically: unanticipated, extraordinary costs of the remediation of asbestos and interior demolition of the old Field School building. Asbestos mastic was found under concrete and drywall interior walls that were added to the building after its original construction. The work involves the selective demolition of the interior concrete block and sheetrock walls, then remediating the mastic that was underneath those walls in a fully contained manner in compliance with new state and federal regulations. While extensive testing was performed to quantify the hazardous material in the building during the design phase, it was not anticipated that walls had been installed over the existing flooring adhesive. Regulatory changes made during the project require a more costly abatement procedure than would otherwise have been required.*

*The amount expected to be requested is \$430,000. A two-thirds vote of Town Meeting is required for approval of this article.*

---

**ARTICLE 4:                      APPROPRIATE FOR COMMUNITY HOUSING –WARREN AVENUE  
AFFORDABLE HOUSING CONSTRUCTION FUNDS**

To appropriate a sum of money for community housing purposes under the Community Preservation Program in order to pay costs of constructing affordable housing on an approximately 9 acre parcel of Town-owned land located at 66-68, 71 and 74 Warren Avenue, Weston, including all related incidental costs, as a grant to the Weston Affordable Housing Trust, pursuant to a grant agreement between the Town Manager and the Weston Affordable Housing Trust, on such terms and conditions as the Town Manager, in consultation with the Community Preservation Committee, deems appropriate, and as funding therefor, to transfer said sum from the Community Housing allocation and the Unallocated allocation of the Community Preservation Fund; or take any other action relative thereto.

*Article 4 Explanation: There are three buildings on this Town-owned parcel: 66-68 Warren Avenue is a two-family house, with one unit currently occupied; 71 Warren Avenue is a single family house no longer occupied; and 74 Warren Avenue is the recently vacated Water Division garage. The project will create a total of seven units of below-market rate housing within the existing buildings. It will convert the single-family home into two units (a two-bedroom and a three-bedroom unit), the Water Division garage into three units (one two-bedroom and two three-bedroom units), and update 66-68 Warren Ave. (two two-bedroom units). The units will be permanently deed restricted to occupancy by tenants who meet income levels ranging from 80% of the Area Median Income (“AMI”) to 100% of the AMI, as defined by Massachusetts Department of Housing and Community Development and the U.S. Department of Housing and Urban Development.*

*The Permanent Building Committee will oversee construction of the Warren Avenue project, which will be owned by the Trust and managed by the Brook School Apartments Management Office. This request will provide the funds needed to construct and complete the project. The amount to be requested under this article is up to \$2,688,500.*

---

**ARTICLE 5:                      APPROPRIATE FOR LAND FOR RECREATIONAL USE – WALKWAY ON  
WARREN AVENUE**

To appropriate a sum of money for land for recreational use under the Community Preservation Program for the design and creation of a walkway or foot path on Warren Avenue for recreational purposes, including all related incidental costs; to be spent under the direction of the Town Manager, and as funding therefor, to transfer said sum from the Unallocated allocation of the Community Preservation Fund; and, further, to authorize the Board of Selectmen to acquire, by purchase, gift or eminent domain, fee or easement interests as may be required to create said walkway or foot path, or take any other action relative thereto.

*Article 5 Explanation: The primary access to the Town Forest is by way of Warren Avenue, a narrow and winding roadway with truck traffic generated by Ogilvie’s hardware store and a commercially used parcel behind the house at 71 Warren Avenue. Neighbors have expressed concern about the safety of children and others walking along the*

road. With the development of affordable family housing on the Town-owned parcel at 66-68, 74 and 71 Warren Avenue, it is becoming clear that construction of a walkway or foot path along that road would be beneficial, both for the residents of the neighborhood and for townspeople wishing to access the Town Forest for recreational purposes. The amount to be requested under this article is \$340,000.

---

**ARTICLE 6:                    APPROPRIATE FOR COMMUNITY HOUSING – PURCHASE AND REHABILITATION OF 126-128 VILES STREET BY WESTON AFFORDABLE HOUSING FOUNDATION FOR AFFORDABLE HOUSING**

To appropriate a sum of money for community housing purposes under the Community Preservation Program as a grant to the Weston Affordable Housing Foundation, Inc. (“WAHFI”) in order to pay costs of acquisition of the parcel of land located at 126-128 Viles Street, as shown on Assessors Map 13, Block 18, containing 0.23 acres, more or less, for community housing purposes, and for creation and rehabilitation of community housing at such location, including all related incidental costs, pursuant to a grant agreement between the Town of Weston and WAHFI, and to authorize the Town Manager to enter into such grant agreement upon such terms and conditions as she deems appropriate; provided, however, that such grant agreement shall contain a condition that WAHFI convey to the Town of Weston an affordable housing deed restriction in said property complying with the requirements of M.G.L. Chapter 184, and to authorize the Board of Selectmen to accept said restriction, and further that such deed restriction may also run to the benefit of a non-profit, charitable corporation or foundation with the right to enforce the restriction; and as funding therefor, to transfer said sum from the Unallocated allocation of the Community Preservation Fund; or take any other action relative thereto.

*Article 6 Explanation:*                    *Weston Affordable Housing Foundation, Inc. (WAHFI), a 501(c)(3) charitable organization promoting affordable housing in Weston, is requesting \$1,188,100 to purchase and renovate an existing two-family home built in 1890 as housing for employees of the Hook & Hastings Organ Factory. Rehabilitation of this structure will preserve the historical appearance of the area, while providing critical affordable housing units for the Town. The site is within walking distance of the commuter train and the creation of affordable housing at this location will result in distribution of affordable housing throughout Weston. This proposal will create two, 3 bedroom rental units that will be deed restricted as affordable housing in perpetuity.*

---

**ARTICLE 7:                    APPROPRIATE FOR LAND FOR RECREATIONAL USE – CONCEPTUAL DESIGN FEES FOR WALKWAYS ON MERRIAM STREET AND HIGHLAND STREET**

To appropriate a sum of money for land for recreational use under the Community Preservation Program for the design and creation of walkways on Merriam Street and Highland Street for recreational purposes, including all related incidental costs; to be spent under the direction of the Town Manager, and as funding therefor, to transfer said sum from the Unallocated allocation of the Community Preservation Fund; or take any other action relative thereto.

*Article 7 Explanation:*                    *Walkways and sidewalks provide safe recreational opportunities and connections to open space, land for recreational use and recreational facilities. Studies have shown that there exists a positive relationship between the existence of walkways and the use of the same for recreational activities as well as the general health benefits of activities such as walking and running. Funds requested under this article would be spent on the conceptual design of walkways on Merriam and Highland St., both of which are priorities identified in the Traffic and Sidewalk Committee’s 2010 Master Plan.*

*This is a multiyear project with CPA funding requests for other priorities identified in the Master Plan expected in subsequent years. Funding for the first phase of this project, \$250,000 for the construction of approximately one mile of walkway/sidewalk along portions of Brown Street and Winter Street, was approved at the May 2013 Annual Town Meeting. The amount to be requested under this article is \$48,000.*

---

**ARTICLE 8:                    APPROPRIATE FOR OPEN SPACE – CHARLES RIVER INVASIVE SPECIES REMOVAL**

To appropriate a sum of money for open space purposes under the Community Preservation Program to preserve a section of the Charles River in Weston by removing invasive weeds, including all related incidental costs; to be spent under the direction of the Town Manager, said sum to be transferred from the Unallocated allocation of the Community Preservation Fund; or take any other action relative thereto.

*Article 8 Explanation:* This project is part of a larger effort to rid the Lakes District of the Charles River of invasive water chestnut. The Massachusetts Department of Conservation and Recreation (DCR) in cooperation with the Cities of Waltham and Newton, the Town of Weston, the Charles River Watershed Association (CRWA), and local residents have begun a 3-5 year effort to harvest this weed. Removing the water chestnut along the Weston portion of the Charles River will greatly improve and preserve the health and ecological integrity of the Charles River in this stretch of the river. Numerous residents enjoy canoeing and kayaking this section and in recent years, sections of Weston's Kingsbury Cove have been nearly impassable. This article requests an appropriation of \$5,000 to support paid workers to assist CRWA volunteers so that their efforts are more productive and will pay for hand harvesting to clear isolated plants and shallow areas which cannot be reached by machine, and it would be the first of three requests for multi-year funding for this purpose.

---

**ARTICLE 9: AMEND ZONING BY-LAW TO CLARIFY EARTH REMOVAL AND MOVEMENT FOR PROJECTS SUBJECT TO LIMITED SITE PLAN APPROVAL**

To amend the Zoning By-law, SECTION XI. K. LIMITED SITE PLAN APPROVAL EXCEPTION FOR RELIGIOUS, EDUCATIONAL, AND CHILD CARE FACILITY USES IN ACCORDANCE WITH G.L. C. 40A, SECTION 3, by inserting, in section 3, a new subsection "h", to follow "g", and which will read as follows:

"h. All site improvements shall be designed to limit the amount of earth movement on and earth removal from the site. In the event that the amount of earth removal and/or earth movement associated with the proposed site modifications triggers the provisions of Section V. I. 3 of the Weston Zoning Bylaw (Earth Removal and Movement), additional zoning relief shall be required under Section V.I. 3."

Or take any other action relative thereto.

*Article 9 Explanation:* There are a number of uses, such as religious, educational and non-profit organizations, that are protected under Mass General Laws, Chapter 40A, Section 3. No special permit or other approval may be used to regulate those protected uses.

The proposed language is intended to clarify that the act of earth movement on a site where a 40A, Section 3 use is being proposed, is subject to earth removal and earth movement bylaws of the Town of Weston. Those earth movement/removal bylaws, which require special permits, do not control the use on the site. Town Counsel has confirmed that uses protected under 40A, Section 3 may be subject to the earth removal and earth movement bylaws to serve the very limited purpose of overseeing the physical and environmental effects of large-scale earth movement on a property. A two-thirds vote of Town Meeting is required for approval of this article.

---

**ARTICLE 10: AMEND ZONING BY-LAW TO SUPPLEMENT LANGUAGE IN PARKING BY-LAW FOR REQUIRED PARKING SPACES FOR SCHOOLS AND ALL OTHER USES NOT SPECIFICALLY MENTIONED ELSEWHERE IN THE BY-LAW**

To amend the Zoning By-law, SECTION VIII.A.1 by:

Replacing paragraph k as follows:

"k. Schools and other educational uses subject to Massachusetts General Laws, Chapter 40A, Section 3: sufficient spaces, in the judgment of the Inspector of Buildings, to ensure that no parking for vehicles for employees or regular attendants will take place on a public or off-site private way, except that in cases where Limited Site Plan Approval or Special Permit issued by the Planning Board is required, the Planning Board shall make such determination."

and

adding a new paragraph l as follows:

"l. All other non-residential uses not specifically mentioned above: sufficient spaces, in the judgment of the Inspector

of Buildings, to ensure that no parking for vehicles for employees or regular attendants will take place on a public or private way.”

Or take any other action relative thereto.

*Article 10 Explanation: At present there is no parking requirement for schools, day care centers or similar uses within the Town of Weston. The existing zoning requires that, if a new school, day care center or similar use is being proposed or expanded, the Inspector of Buildings is tasked with judging what the parking requirements should be. This determination is made on a case by case basis.*

*There are a number of factors involved in making the determination of what is sufficient parking for these uses. Schools, day care centers and similar uses have drop off and pick up peak hours, queuing of automobiles, need for short term and long term parking spaces. The proposed change would allow the Planning Board to make the determination of what constitutes “sufficient spaces” when Planning Board site plan review or a special permit is required. A two-thirds vote of Town Meeting is required for approval of this article.*

---

**ARTICLE 11: AMEND GENERAL BY-LAWS - ARTICLE XXIII - SCENIC ROADS BYLAW**

To amend the General By-laws, Article XXIII, Section.8, by adding “North Avenue (Route 117)” and “South Avenue (Route 30)” to the list of Scenic Roads set forth therein.

Or take any other action relative thereto.

*Article 11 Explanation: There are 32 roadways within the Town of Weston that have been designated as “scenic roads.” Under Massachusetts General Laws, Chapter 40, Section 15C, the Town, via Town Meeting vote, is authorized to designate roadways “scenic roads” to protect the stone/rock walls and trees within the designated road rights-of-way. If North and South Avenues are designated as scenic roads, any property owner who wishes to take down a tree or remove a wall within the town right of way is required to have a public hearing with the Planning Board and the Tree Warden. The Board and Tree Warden would review the request of the property owner and make a decision (usually within two weeks) as to the removal of the tree(s) or relocation of the stone wall. This would mainly apply to new houses being proposed on the streets, as new driveways would need to be established. The Board anticipates perhaps one hearing a year generated from the designation of these two roads as scenic roads.*

---

**ARTICLE 12: AMEND GENERAL BY-LAWS - ARTICLE I – ALLOW ANNUAL TOWN MEETIN TO START AS EARLY AS 7:00 P.M.**

To amend Article 1, Section 2 of the General By-laws of the Town of Weston to authorize the Selectmen to fix the time for Annual Town Meeting at an hour not earlier than 7:00 P.M by inserting the bold text and deleting the strike-through text as follows:

Subject to law, the Selectmen shall fix and state in the warrant for the annual town meeting the hour at which the meeting shall be called and the polls opened, and the hour at which they may be closed, on the Saturday fixed under Section 1 for the election of officers and the determination of matters by ballot; and an hour, not earlier than ~~7:30~~**7:00** P.M., on the next Monday after such Saturday for the holding of the meeting for the transaction of all other business.

Or take any other action relative thereto.

*Article 12 Explanation: Currently, the By-laws provide for the Annual Town Meeting to begin not earlier than 7:30 p.m. A recent survey conducted by the Selectmen’s Town Meeting Advisory Committee indicated that respondents have no significant preference between starting at 7:30 p.m. and 7:00 p.m. Allowing for an earlier starting time provides additional flexibility in scheduling the Town Meeting, and, if Town Meeting were to start at 7:00, may allow more business to be conducted earlier in the evening.*

---

**ARTICLE 13:                    **AMEND GENERAL BY-LAWS - ARTICLE XXIV – CRESCENT STREET HISTORIC DISTRICT****

To amend Article XXIV, Section 3 of the General By-laws of the Town of Weston by deleting the reference to parcel “23-58-01” and inserting in place thereof, the following “ 23-58-30.”

Or take any other action relative thereto.

*Article 13 Explanation: There is an inaccurate parcel number in this bylaw that must be corrected.*

---

**ARTICLE 14:                    **AUTHORIZE THE TAKING OF EASEMENTS FOR CONSTRUCTION OF A WALKWAY ON BROWN AND WINTER STREET****

To authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise the fee and/or permanent and temporary easements in certain parcels of land, adjacent to the proposed sidewalks on Brown Street and Winter Street.as depicted on certain plans titled “Brown and Winter Street proposed Sidewalk” on file with the Town of Weston, for public way purposes including, without limitation, drainage, utility, slope, grading and construction of improvements and structures, and other related purposes, which will enable the Town to undertake the project,

Or take any other action relative thereto.

*Article 14 Explanation: At the May 2013 Annual Town Meeting, CPA funds were appropriated to construct a walkway on Brown Street. In the process of designing the walkway, it has been determined that temporary construction easements and/or permanent easements on private property will be needed*

## League of Women Voters of Weston

### MEMBERSHIP FORM 2014-2015

The League of Women Voters is a non-partisan, political organization, which encourages informed and active participation in all levels of government and influences public policy through education and advocacy. We serve the local community in many ways:

- Sponsor Candidates and Issues nights before elections
- Provide voter information and conduct voter-registration drives
- Encourage voter participation with banners and rides to the polls
- Study local, state and national issues and hold open meetings
- Act upon carefully considered positions by lobbying and circulating petitions
- Publish a "Know Your Town" booklet
- Train members to be active and involved citizens.

**Our membership year runs from July 1 to June 30. As a Weston member, you also belong to and receive publications from the State and National Leagues.**
